1. Introduction

1.1 This scheme is made under the powers conferred by the Local Authorities (Members' Allowances) Regulations 2003 and will be effective on and from 1 April 2021 until 31 March 2025.

1.2 Elected members of Suffolk County Council may claim the following allowances as specified in Schedule 1 to this Scheme:

- Basic Allowances
- Special Responsibility Allowance
- Travel and Subsistence Allowance
- Carer's Allowance

1.3 Basic and Special Responsibility Allowances will be paid in equal monthly instalments and will be subject to tax and national insurance deductions. Payments will be made directly to councillors' bank accounts. Adjustments required, as a result of amendments to the Members' Allowances Scheme or changes affecting a councillor's eligibility for an allowance, will be made after the affected councillors have had a written explanation of the change and notification of the date on which it will be implemented.

1.4 All claims for Travel and Subsistence, Carer's and Co-opted Member's Allowances will be paid retrospectively. Payments will be made monthly to the councillor's or co-opted member's bank account.

- 1.5 Co-opted members not subject by law to the Code of Members' Conduct will be required to agree to be bound by the Code voluntarily in order to claim allowances or expenses.
- 1.6 The allowances and expenses specified in this Scheme are the only ones that councillors and co-opted members are entitled to claim from the Council.
- 1.7 A councillor who is a member of both the County Council and another local authority or public body cannot claim allowances from both bodies for the same duties.
- 1.8 Co-opted members representing community or interest groups cannot receive allowances from the County Council if they are entitled to claim expenses or allowances from their nominating group for the same duties.

2. The Basic Allowance

- 2.1 The Basic Allowance will be paid to each eligible councillor in equal monthly instalments and will be subject to tax and national insurance deductions.
- 2.2 Councillors will inevitably incur a range of expenses in the course of carrying out council business. The Basic Allowance is intended as a contribution towards those expenses for which claims cannot be made within this Allowances Scheme.
- 2.3 The Basic Allowance is not intended to remunerate councillors for all the time they spend on business arising from their role as a councillor. There is a voluntary, public service element to the councillor's role and this Members Allowances Scheme assumes that 50% of a councillor's work will be undertaken on a voluntary basis.
- 2.4 From 1 April 2018 the Basic Allowance shall be amended annually by reference to the annual pay settlement for local government staff. The amendment will take effect on the date on which the settlement for staff takes effect.

3. Special Responsibility Allowances

- 3.1 A Special Responsibility Allowance will be paid to a councillor who holds any of the offices specified in Schedule 1. It will be paid to each eligible councillor in equal monthly instalments and will be subject to tax and national insurance deductions.
- 3.2 No councillor may receive more than one Special Responsibility Allowance. Where a councillor holds more than one post, they will receive the higher of the Allowances appropriate to the posts.
- 3.3 For the purposes of calculating SRAs for the Leader and Deputy Leaders of political groups, a political group is defined as five or more councillors who notify their intention to become a group as required by the Local Government and Housing Act 1989.

4. Travel and Subsistence Allowances

- 4.1 Travel and Subsistence Allowances are payable for attendance at events which are approved duties, as set out in Schedule 2.
- 4.2 Where a councillor is attending a conference, seminar, or other meeting on behalf of the Council, and will not arrive at their home until after 7pm the cost of an evening meal can be reimbursed up to a reasonable maximum, subject to approval by the Monitoring Officer. If the councillor is away from home and the Council's premises and not provided with meals in exceptional circumstances on production of a receipt the Monitoring Officer can approve expenditure outside the provision of the scheme. If a meal cost is incurred in London where the cost of living is higher which is more than provided for in the scheme the Monitoring Officer can approve the higher costs.
- 4.3 Receipts for all expenses claimed must be provided with the claim form. In exceptional circumstances, the Monitoring Officer may approve payment of a claim that is not supported by a receipt.

5. Carer's Allowance

- 5.1 Councillors that have to arrange for cover to provide care for children or their partner, or other close relatives, and, or friends can claim a Carer's Allowance. The rates of allowance are set out in Schedule 3. A Carer's Allowance can be claimed for duties which are also eligible for Travel and Subsistence Allowance as set out in Schedule 2.
- 5.2 In the case of a Carer's Allowance for childcare:
- (i) The allowance is available for the care of children under 16 years of age who normally live with the councillor.
 - (ii) The allowance cannot be claimed for the care of children of compulsory school age during normal school hours unless there are exceptional circumstances.
- 5.3 In the case of a Carer's Allowance for the care of their partner, or other close relatives, that person must be dependent on the presence of the councillor during the entire period claimed.
- 5.4 Expenditure incurred will be reimbursed up to the maximum hourly rate (as set out in Schedule 3) for each hour of absence from home.
- 5.5 Payment will only be made for the period of the qualifying meeting and the travelling time to and from the councillor's home.
- 5.6 A signed receipt from the carer, showing their name, signature and address, the period worked, and the amount received must be submitted with the claim.
- 5.7 A Carer's Allowance can only be paid for care where they are paying for someone else who does not normally reside with the councillor and who is not

at the same time undertaking other duties within the home, to accompany or provide care for the qualifying child or adult during the time the councillor is absent as described in 5.5 above. An Allowance will not be paid for care provided at no cost to the councillor by another relative, guardian or source of free support.

6. Co-opted Member's Allowance

- 6.1 Co-opted members of the Council's committees can claim a flat attendance fee of £70 per session attended of four hours or less in addition to travel and subsistence allowances as set out in Schedule 2.
- 6.2 The fee can also be claimed where the co-opted member is required to attend conferences, seminars or other events as part of their role on the committee.
- 6.3 Co-opted members who receive paid time off from their employer or an allowance from their nominating body in order to attend committee meetings or events cannot claim an attendance fee from the Council.

7. Claiming Allowances

- 7.1 Claims for Carer's, Travel, Subsistence and co-opted member's allowances must be made within two months of the date on which the expenditure was incurred. Claims submitted by the tenth day of the month will be paid in the same month. In exceptional circumstances, the Council will meet claims submitted later than two months after the event.
- 7.2 Expenses should be claimed using the on-line expenses system (Oracle Fusion). Where this system is not available claim forms can be obtained in hard or electronic copy from Councillor Services.

8. Taxation

- 8.1 Allowances are liable for Income Tax and National Insurance contributions.
- 8.2 Councillors are advised to seek independent advice on their own taxation position.

9. Renunciation

- 9.1 A councillor may renounce an entitlement to any or all of these allowances by giving notice in writing to the Monitoring Officer.

10. Suspension

- 10.1 Where a councillor is suspended or partially suspended from their duties or responsibilities, that part of any allowance paid to them during the period of suspension may be withheld or be subject to repayment if the allowance has already been paid. In these cases, the councillor will receive a written explanation of the overpayment and the proposed method of recovery.

11. Amendments to the Scheme

- 11.1 The vehicle mileage rates for the purpose of Travel Allowance claims shall be increased from time to time to match the rates published by HM Customs and Revenue for defining a taxable benefit.
- 11.2 The Carer's Allowance will be uprated in line with changes to the indicative costs.
- 11.3 No other amendments can be made to the Scheme without prior consultation with the Council's Independent Remuneration Panel and any amendments must have regard to the Panel's recommendations.
