

Bury Library Project

Sept 09

Temporary Library

During the refurbishment we will need to close the library and plan to offer a service from a temporary site. We expect to move to the temporary site in December, and the refurbished library re opening in the late summer 2010.

The temporary library will offer a full range of library services, on a scaled down basis. If you can't find the book or other item you are looking for during the works we will, as always, be happy to reserve the item free of charge.

We are also looking into the possibility of having a limited service available close to the current library during the works.

There will be more information available on this shortly.

Bury St Edmunds Library To Be Refurbished

Bury St Edmunds library is to be refurbished, bringing new services to the town centre. The refurbishment will provide not only a modern library space, but also a Children's Centre, LEAP (Learning and Enterprise Access Points) Centre and refreshed coffee shop into the building.

Visit the refurbishment section of our website to see artist impressions of the new library:
www.suffolk.gov.uk/LeisureAndCulture/Libraries/LocationsAndOpeningTimes/BurySELibraryRefurbishment/listing

The LEAP Centre will be a new facility in the town centre. Customers will be able to drop-in or call to find out about all the education, training or skills courses and workshops available in Bury St Edmunds. For more information on LEAP Centres visit www.leap.ac.uk

Did You Know....?

We also have a library point open within West Suffolk House, the new council offices on Western Way.

The library point has a selection of children's and adult fiction available for anyone to borrow. These offices are open Monday – Friday 08:45 – 17:00.
