

SUFFOLK FIRE AND RESCUE SERVICE

Special Services – Scale of Charges

Charges Applicable from 1st January 2009

All charges are subject to V.A.T. at current rates unless zero-rated.

<u>OPERATIONS</u>	Charges £
Number of hours of operation at the following rates per hour or part hour, and subsequent hours.	
Fire appliance	356.00
Other vehicle and/or Portable Pumps	177.00
The above charges are inclusive of personnel costs. Materials used will be charged at cost plus 50%.	
These charges will be waived for people in receipt of a State pension, aged 65 or over, or subject to the County's Anti Poverty Strategy.	
<u>CHEMICAL INCIDENTS</u>	
Gas Tight Suit.	558.19
All other charges as above.	
It is important to note that there may also be a cost for decontamination, disposal or replacement of ANY Fire Service equipment used at a chemical incident.	
<u>MISCELLANEOUS</u>	
Copy of Fire Report (Form FDR1) or Special Service Report – zero rated	51.00
Additional charges for collection or delivery – per mile	1.20
Copy of Fire Investigation Report	51.00
Interview with Fire Officers by Insurance Companies and Loss Adjusting Agencies – per hour, or part thereof (zero rated)	160.00
Officers' time for legal case preparation and time in court (costs recovery) @ role hourly rate + 30% (zero rated)	

SALVAGE/ROOF SHEETS

No charge for up to 14 days use following an incident.

If not returned after 14 days they will be considered sold and a charge raised.

Salvage Sheets	72.00
Roof Sheets	185.00

Notes

1. The cost of any repairs or replacements made necessary by use or misuse of Fire Service equipment during a Special Service will be recoverable from the applicant in addition to the above charges.
