

## Key Messages to include in your Children's Centre Opening speech

1. Children's Centres are a Suffolk County Council led programme and part of the government's Sure Start initiative. Our partners include NHS, district and borough councils, and community organisations.
2. Children's Centres (across Suffolk - urban and rural, disadvantaged and better off) will enable the best possible start in life for children aged 0-5 years old in Suffolk.
3. Children's Centres will provide/create more convenient and accessible services for families, such as:
  - Support, advice and information for families
  - Child and family health services
  - Support into training and employment for parents who would like help
