

Schoolsafe Generic Theory programme

These training days are available across the county for staff who are unable to attend training within their school. This programme will include Modules 1, 2 & key elements of 3.

Aims & Learning objectives

By the end of the course, participants should be able to identify:

Module 1 Legal Framework

- Our legal rights and responsibilities, including reference to the Education & Inspections Act 2006
- The context of reasonable force within an educational setting

Module 2 Theory Of De-escalation

- To plan how to prevent and avoid dangerous incidents by:
 - Identifying underlying causes of behaviour
 - Planning to meet individual needs
 - Developing structures and procedures

Module 3 Risk Management

- Identify the risk assessment process
- Develop strategies to reduce the risk of harm to staff or pupils
- Identify the components of a legal framework to support staff practice

Pre-Course Requisites & Pre-Course Preparation

None
