

Schoolsafe PRU programmes

Aims & Learning objectives

- To identify our legal rights and responsibilities
- To explore models of behaviour
- To promote pro-active frameworks around pupils displaying difficult and dangerous behaviours
- To identify risk management as an effective tool to support all those in school
- To be able to demonstrate an effective selection of intervention techniques

Pre-Course Preparation

“Health Declaration & Training Conditions” (will be sent with joining instructions)

Please complete and bring along on the first day of training
