Suffolk Unitary Proposals

I do not believe that Waveney District Council has a fully funded capital programme beyond 2008/09.

In addition I do not believe that the Council has adequate unallocated reserves and balances to support the Local Government Review process.

Yours sincerely

Alan McFarlane
Director of Resources

Dear Geoff

Local Government Review – Capital Programme and unallocated revenue balances

With reference to the Boundary Committee requirement I offer the following certification for Suffolk Coastal District Council:

I certify that the present capital programme of Suffolk Coastal D.C. is fully funded

Taking account of my authority's financial position and risk factors I recommend an unallocated revenue balance of £2.75million in line with our current policy.

Yours sincerely
