

**Motion:** In accordance with Rule 3.1, the following Motion has been proposed by Councillor Sandy Martin and seconded by Councillor Bryony Rudkin.

“Given the stated desire of all 3 main political parties in the UK to reduce inequalities, and the current rate of increase in the Consumer Price Index of 2.9%, this Council will:

1) make representations to the LGA that the employers’ side must re-open negotiations on the 2010-2011 rates of pay; and

2) recommend to the employers’ side that at the very least an increase should be made for all staff earning below the national median wage.”
