

Motion: To note the changes in the Care and Support Bill and their potential impact both financially and administratively on Suffolk County Council.

To note the potential impact on Suffolk County Council and how this informs the ‘Caring for Our Future’ consultation and response to Central government.

To note Appendix A of this paper and the recommendations from the Health and Adult Care Policy Development Panel who have deliberated on some of these key changes.

To agree the local authority’s response to the government’s ‘Caring for Our Future’ consultation, including the issues considered in this covering report.

Members present agreed unanimously without a vote
