

Motion: Proposed by Councillor Mark Bee and seconded by Councillor Graham Newman.

This council:

- Welcomes the government's plans for improvements to the A14.
- Is nevertheless concerned at proposals for a toll
- Notes that tolling is not proposed in other similar projects taking place across the country.
- Believes that these tolling arrangements would place additional costs on Suffolk residents and businesses that they can ill afford; would uniquely affect traffic to and from Suffolk; and would therefore put the county and its ports at a competitive disadvantage.

Therefore, this council resolves:

- To work with the LEP and other local partners to persuade the government to reconsider the need for tolling on this much-needed infrastructure project and will continue to focus on improvements to rail capacity from Felixstowe to destinations beyond Cambridge.
