

Motion: Motion 1 Proposed by Councillor David Nettleton and seconded by Councillor Mark Ereira-Guyer

“When a member of the Scrutiny Committee asks for a vote before recommendations are submitted to Cabinet, that request is granted, even if only one member wishes to dissent.”

Members present agreed, by a majority show of hands to refer this matter to the next meeting of the Constitution Working Party for discussion and for Councillor Nettleton to be invited to address that meeting and for the Constitution Working Party to report back to the Council.
