

Motion: Motion 1 – Proposed by Councillor Sarah Adams and seconded by Councillor Helen Armitage.

“This Council believes that sending children and young people with mental health problems to out-of-County placements may damage their recovery, increases the risk of a lack of places, and incurs additional costs that could be better spent on preventative work. This Council calls on the Administration to use all necessary influence and resources to ensure that we develop appropriate Tier 4 provision in Suffolk for psychiatric care for children and young people, in conjunction with the CCGs, at the earliest possible time.”
