

Agenda Item 7 – Motion 2 - Proposed by Councillor Sarah Adams and seconded by Councillor Sandy Martin

“This Council calls on the administration to end its practice of placing elderly people in care homes that have already been rated as “Inadequate”, until such time as they have been regraded and there is sufficient evidence to prove that their action plan is sustainable and already delivering quantifiable improvement. We also call on the administration to demonstrate how they are ensuring that current residents already placed in care homes identified as “Inadequate” are properly safeguarded.”

Agenda Item 7 – Motion 2 Amendment - Proposed by Councillor Rebecca Hopfensperger and seconded by Councillor Alan Murray

“This Council re-affirms its commitment to not placing elderly people in care homes that have already been rated as “Inadequate”, until such time as there is sufficient evidence to demonstrate that their action plan is sustainable and already delivering quantifiable improvement. This Council also re-affirms its commitment and duty to ensuring that current residents already placed in care homes identified as “Inadequate” are properly safeguarded.”
