

Motion: Motion 5 Proposed by Councillor Mandy Gaylard by Councillor Caroline Page

"This Council believes the Government should make fair and transitional state pension arrangements for the 34,000 Suffolk women born in the 1950's, who have unfairly borne the burden of the increase to the State Pension Age with lack of appropriate notification.

This Council requests the Interim Chief Executive write to the Secretary of State for Work and Pensions calling on the government to reconsider transitional arrangements for women."

Members present agreed unanimously by a show of hands.
