

## Suffolk County Council meeting Thursday 3 December 2020, vote taken on Motion 1

Motion 1 – Proposed by Councillor Paul West and seconded by Councillor Jessica Fleming.

Motion Text: ‘Since the re-opening of the Recycling Centres in mid-May, this Council notes that the innovative introduction of an online booking system to manage social distancing, has been hugely successful and well received by users. The changes have allowed all sites to maximise the capacity available and has provided residents with certainty over how long their visit will take while reducing the need for customers to queue on the road. This has significantly improved road safety and enhanced air quality around Suffolk’s 11 recycling centres while also reducing our county’s carbon footprint, all of which are among this administration’s key priorities.

We therefore ask that the County Council recognises and thanks officers for the excellent work involved in establishing the new booking system, as well as those on the ground operating the sites. The Council also resolves to consider how best to continue to improve this much welcomed service. For example, by exploring further opportunities to introduce an enhanced online booking system with improved functionality and customer experience, including same day bookings, and wider promotion of the two on-site Reuse Shops.’
