

Motion: Proposed by Councillor Bill Mountford and seconded by Councillor Tony Brown
 “The Chancellor has stated that making “deep cuts” to the arts and culture budget is a “false economy”. The arts, culture and heritage in Suffolk contribute large sums to the local economy and social infrastructure, supporting County Council priorities. Does this Council agree that rather than proposing very deep cuts to the arts and culture budget, the Administration should instead, follow the Chancellor’s lead and support the county’s arts and culture organisations?”

Amendment Proposed by Councillor Sarah Stamp and seconded by Councillor Tony Brown and accepted by Councillor Bill Mountford and therefore became the substantive motion:

“The Chancellor has stated that making “deep cuts” to the arts and culture budget is a “false economy”. The arts, culture and heritage in Suffolk contribute large sums to the local economy and social infrastructure, supporting County Council priorities. Does this Council agree that the Administration will therefore follow the Chancellor’s lead and continue to financially support the county’s arts and culture organisations?”
