

Flooding, essential tasks

Identify a safe place for your family and pets away from floodwater.

Collect items like; warm clothes, blankets, medication, torch, food, and a mobile phone.

Turn off gas, electricity and water supplies.

Move electrical items and valuables to a first floor or higher position.

Keep out of floodwater - there may be hazards you cannot see, or you may get swept away

Cooperate with the emergency services

Call the Environment Agency's Floodline 0845 988 1188 for the latest information and stay tuned to local radio for safety messages.
