Questions about the ways in which children may behave are listed on the following pages. Please read each question and tick the box that best describes your child's behaviour. Also, tick the circle if the behaviour is of concern to you.

Important Points to Remember:

- Answer questions based on what you know about your child's behaviour.
- Please bring this questionnaire along with you to your child's health and development review.
- Answer questions based on your child's *usual* behaviour, not behaviour when your child is not feeling well, very tired, or hungry.
- If you have any questions or concerns about your child or this questionnaire, you can ask your health visitor at the review.
- Parents or caregivers should fill in this questionnaire. Caregivers should know the child well and spend more than 15 hours per week with him or her.
