NOTES

- It is an offence to carry out any works within the public highway without permission of the Highway Authority.
- Any conditions which the Local Planning Authority may give referring to use of this drawing do NOT give the applicant permission to carry out works within the Public Highway.
- Unless otherwise agreed in writing all works within the Highway will be carried out by the County Council at the applicant's expense.
- To gain permission to construct, Suffolk Highways must be contacted. Information is shown opposite.
-  Area to be constructed to the satisfaction of the Local Planning Authority in consultation with the County Council as Highway Authority.
-  Visibility Splay areas to be free from all obstructions to visibility exceeding h above carriageway level.
- Sufficient sustainable drainage will be required to prevent surface water entering the Highway.
- Gate should be set back at least 5m from channel of carriageway and open inwards.
- Depending upon construction specification and location there may be a necessity for precast concrete footway edgings to be installed to the side and rear of the access area to retain the construction.
