INTRODUCTION

- A. On 2 July 1998 Mid Suffolk District Council then acting in its capacity as the local planning authority entered into an agreement by deed under Section 106 of the Town and Country Planning Act 1990 (" the Act") with Wingfield Arts & Music the then freehold owner of the Land identified in the said deed (" the Land") to create planning obligations restricting the use of the said Land (" the Original Agreement")
- B. Following completion of the Original Agreement Mid Suffolk District Council issued planning permission under reference number 0108/96/OL for the conversion of redundant farm buildings to a centre for the visual and performing arts including artist in residence accommodation and development occurred in accordance with the said permission with the result that the planning obligations in the Original Agreement now bind the Land
- C. Mid Suffolk District Council (" the Freehold Owner") is now the freehold owner of the Site to which the Original Agreement and this Deed relates and Wingfield Barns Community Interest Company (" the Leasehold Owner") occupies the Land as the lessee under a lease for twenty-five years ending in 2036
- D. The Leasehold Owner has applied to Mid Suffolk District Council under its reference DC/21/02116 for permission to change the use of part of the Land known as The Granary from occasional residential use to a commercial office use under Class E

- E. The Leasehold Owner has also applied to the Mid Suffolk District Council under its reference DC/21/00782 to change the use of part of the Land now known in use as a performance studio to an office use
- F. Mid Suffolk District Council is minded to grant planning permission pursuant to the two planning applications referred to in the recitals above (together referred to as "the Intended Permissions") and accordingly this Deed modifies provisions of the Original Agreement pursuant to Section 106A of the Act so as to allow development to occur in accordance with the intended permissions
- G. The Parties agree that (a) planning obligations set forth in the Original Agreement may be varied in accordance with Section 106A(1) of the Act by agreement in this Deed between the Leasehold Owner as the person against whom the obligations are enforceable and Mid Suffolk District Council as the appropriate authority notwithstanding its current position as the freehold landowner and b) the County Council will join this Deed as a party as is the usual practice where the District Council is a landowner to ensure that the revised planning obligations will bind the land
