About me...

- I have been an EP since 1990 and have worked in Kent and Suffolk County Council.
- I have been a Specialist EP for children and young people with a hearing impairment and I continue to have interest in this area.
- I am currently area senior for the West of Suffolk and am based in Bury St Edmunds. I have a particular interest in work culture.

What is important to me...

- Working as part of a team, be it a locality, an area team, a county team or multi agency team.
- Making a positive difference for the people I work with including young people, adults, or colleagues.
- Having a solution focused approach to seek person centred solutions in a variety of contexts.
- To be approachable to children, parents, and colleagues and for them to feel listened to and heard by me.
- That people feel they are supported by me to create and provide the work environment and culture they need to be happy at work.

How to support me...

- People being clear about what support they would like and how I can provide that.
- Having a supportive team around me (particularly when it comes to IT!)
- Seeing people in person and catching up with how they are.
- Flat white coffees!
