

*Hello, I'm*  
**Dr Sara  
Fance**

I have recently qualified (in 2023) as an Educational Psychologist. Before this, I also worked as an Assistant Psychologist and as a Primary School Teacher.

*People say that I am...*

**Caring**      **Fun**      **Supportive**      **Calm**      **Thoughtful**      **Creative**  
**Brave**

*Important to me*

Working in a person-centred way by **listening** to the views of children, young people and their families and **advocating** for this is really important to me.

Social justice is very important to me. I feel strongly that everyone should have **fair** and **equitable** access to support and opportunities.

*How to support me*

I like to know if you have enjoyed working with me, if I have been helpful, or if you think there is something I could try differently next time.

I make lots of notes, as this helps me to remember things...sometimes I can be easily distracted!

I drink a lot of tea (with oat milk!)
