

## **Freedom of Information – Response – 26505**

*Please could you let me have some information around children in residential care for the last 12 months, namely:*

*1. Number of children in residential care*

191

*2. Percentage of children in residential care placed in county*

70%

Please note that for questions 1 and 2 these are based on the number of placements in Children's Homes in the relevant period (not based on unique children) of 01/11/2024 to 31/10/2025

This data will include duplicate children as a child may be placed in a more than one Children's Home during the year.

*3. Average weekly price of all residential care placements*

£6,122.59

*4. Average weekly price of in house residential care placements*

£5,049

*5. Average weekly price of residential parent assessment centre*

£3,245

*6. Number of residential parent assessment centre placements in the last 12 months*

2024/25	<5*
2025 to date	<5*

\*data suppressed to avoid identification of individuals.

*7. Number of solo residential placements*

5

*8. Average weekly price of solo residential placements*

£11,130.52

*9. Average weekly price of residential care placements for disabled children*

£4,396.74

*10. Average weekly price of 16-18 year olds in unregulated accommodation*

£8,470.97

11. *Number of adults with a disability aged 18-25 accessing supported living placements*

32

12. *Average weekly price of 18-25 year old supported living placements*

£2,188.32.
