This request does not seek any personal or sensitive information.

Suffolk County Council can neither confirm nor deny whether the requested information is held. This is because the duty to confirm or deny does not apply under Section 40(5B)(a)(i) and (ii) of the Freedom of Information Act 2000, where doing so would disclose personal data of individuals other than the requester, and such disclosure would contravene the data protection principles set out in the UK GDPR and Data Protection Act 2018.
