The Opus People Solutions contract was not procured through an external framework. Instead, it was awarded under the Public Contracts Regulations 2015 Regulation 12 (TECKAL) exemption because Opus People Solutions is a wholly owned company of Suffolk County Council (via Suffolk Group Holdings). This means no competitive procurement process was required. The contract commenced on 30 May 2014. As Opus is a wholly owned company, the arrangement operates on a rolling basis with no fixed end date, under the TECKAL exemption. Opus People Solutions is a master vendor.

The agreement with Tile Hill was established through a direct award, following their demonstrable success in supporting Suffolk County Council with executive recruitment. Previous engagements with alternative executive recruitment agencies did not meet the organisation's standards; therefore, a direct award was considered necessary to ensure continuity and avoid further disruption to executive appointments, particularly given the immediate need for senior leadership support. Tile Hill is engaged as the designated preferred supplier for agency support in the provision of management and executive roles within Suffolk County Council. This arrangement encompasses Head of Service positions and above, equivalent to or exceeding the Senior Manager (SM) pay grade on the Council's pay scales, as well as interim management assignments remunerated at £500 per day or higher, across all council service areas.
