1. *Can you please let me know how much money you have spent to date on preparing for the now postponed Combined Authority elections that were scheduled for 7th May 2026?*  
Whilst Suffolk County Council is the lead authority for these elections, they are run on its behalf by the District/Borough Council election teams. To date no costs have been incurred other than officer time, which is not recorded against specific projects.

2. *What was the breakdown of that spending?*

See Q1 above.

*If you are only able to answer one of those two questions, please do so and don't reject the whole request.*
