**Subject:** RE: Minutes for Sinks Pit LM  
**Attachments:** Sinks Pit CLG Meeting Minutes 18.09.2025.docx

Hi [REDACTED]

Amended version of the minutes. Yes, I would have liked them to go out earlier but due to staff changes it seems to have fallen to me and I am very busy.

[REDACTED]

The minutes are also a record of the discussion and not just which views we agreed on. The actions agreed on appear in the third column.

You said 41 minutes into the meeting “since the 26th of May [REDACTED] I’m not [REDACTED] think something like 10 of them [REDACTED] and of the [REDACTED] re forwarded of the same [REDACTED]

I have amended [REDACTED] to reflect your comments.

I hope the minutes are now OK [REDACTED] will be sending them out to everyone and any comments from the residents on the minutes will be dealt with in the next meeting.

Also I see a second billboard sized advert for TRU has appeared next to the A12 at the junction with the Kesgrave Road. I did mention the first one to you at the last meeting and you said it had been given permission by district, but I see that we were at cross purposes. You were talking about the signs at the entrance to TRU (which do have permission) and I was talking about the billboard on the A12. Someone may have put these up thinking that they are allowed under The Town and Country Planning (Control of Advertisements) (England) Regulations 2007 Schedule 1, Class B - “An advertisement displayed on or in a vehicle normally employed as a moving vehicle.” But there is a limitation in that “The vehicle is not used principally for the display of advertisements.” It is a common misconception that putting a billboard on wheels makes the advert acceptable under Class B but as it is being used principally for the display of the advert that is not the case.

Kind regards

[REDACTED]
