

## **Environmental Information Regulations – Response - 26717**

### *Felixstowe Seafront Railings*

*Over the past few weeks new railings have been installed at the shelter (near the Fludyers). The railings have prevented access to the beachfront from the road, provided a new eyesore for the seafront, and appear to serve little purpose.*

*I'd like to understand - via a FOI request - the following:*

- *Does this fall under Suffolk County Council? If not, please can you advise on the relevant authority / organisation*
- *What is the rationale for installing the railings? What is their purpose?*
- *How much did the railings cost?*
- *Is it taxpayer funded?*
- *What approval did this go through - Council/planning committees/other?*

Following your clarification of the location for the above-mentioned shelter , we are advising you that information you requested is not held by Suffolk County Council.

If you have not already done so, then you may wish to write to the Borough and District Councils of Suffolk:

- Babergh Mid Suffolk District Council
