

## **Environmental Information Regulations – Response – 26720**

*I am requesting information under the Freedom of Information Act 2000.*

*For the Lake Lothing Third Crossing, please provide the total amount the Council has spent on the Development Consent Order (DCO) process, broken down by reporting period, from 13 July 2016 (or the earliest records held, if you do not hold records back to that date) to the most recent figures available.*

*Please:*

- 1. Include costs incurred during pre-application, application, pre-examination and examination (and any other DCO-related stage you record).*
- 2. Provide the breakdown by the reporting periods you hold (e.g. financial year / quarter).*
- 3. State whether figures are inclusive or exclusive of VAT (and provide both if held).*
- 4. Provide the data in a machine-readable format (CSV/Excel is fine).*

*Suffolk County Council do not hold the amount spent on the Development Consent Order process specifically and so cannot provide a response to this request.*
