

## **Freedom of Information – Response – 26842**

*I would like to make a Freedom of Information request to Suffolk Fire and Rescue Service. Please provide: The number of e-bike and e-scooter fires attended by the brigade from the start of 2021 to the end of 2025.*

*Please break the figures down by each calendar year, and provide separate figures for e-bike and e-scooter fires.*

The national incident recording database does not have e-scooter or e-bike as a registered “cause of fire”. Therefore, this data has been found by searching by narrative where those terms were mentioned in an incident report.
