

## **Freedom of Information – Response –26857**

*I am writing to request information under the Freedom of Information Act 2000.*

*Please provide details of any complaints relating to light nuisance (including artificial light pollution or excessive external lighting) received by the council between 1 January 2021 and 31 December 2025.*

*For this period, I would be grateful if you could provide:*

- 1. The total number of light nuisance complaints received.*
- 2. A breakdown of complaints by source type, specifically residential buildings (for example, private homes or flats) and commercial buildings or premises (for example, offices, retail, industrial, or hospitality sites)*

We are writing to advise you that, following a search of our paper and electronic records, it has been established that the information you requested is not held by Suffolk County Council. Complaints about light pollution are dealt with by the Environmental Health teams at the local district and borough councils.

If you have not already done so, then you may wish to write to the borough and district councils of Suffolk:

- Babergh Mid Suffolk District Council
