

Environmental Information Regulations – Response - 26883

Can you please advise who advised Suffolk County Council about the Drainage and Flooding which was subsequently given flooding incident number 40960?

Suffolk County Council is unable to locate a report with the reference number: 40960 however, even if we were able to this information would be withheld under r.13 of the Environmental Information Regulations 2004 as it constitutes personal data of the individual reporting the flooding. If you are able to give us some more details to help us identify whether we hold the report or not we are happy to carry out further checks but we would not be able to give you the name of the individual who reported it
