

Environmental Information Regulations – Response - 26900

This is a request for information under the Freedom of Information Act 2000.

Please provide details of any roadworks, utility works, temporary traffic management, lane restrictions, temporary traffic signals, road closures, or related highway activity affecting the B1064 (Rodbridge Hill / Station Road), Long Melford, including the vicinity of the Ropers Lane junction, during the period:

1 December 2024 to 31 January 2025.

For any works identified, please provide:

- *Works reference number*
- *Promoter (utility/company/authority)*
- *Precise location and extent*
- *Type of traffic management used*
- *Start and end dates (including any periods where traffic management remained in place but works were not active)*

*Please find attached a list of street and road works notified by notice or permit to Suffolk County Council between 01/12/2024 and 31/01/2025 (file name: *EIR 26900 - B1064 works list.xlsx*).*

Essex County Council suspended the 7.5 tonne weight limit on the B1064 while it was being used as a diversion route during a road closure on Pentlow Street, Pentlow, Essex (Permit Reference: EP201EH2352160-01).

According to the information available to Suffolk County Council, the suspension was in place from 20:00 on 21/01/2025 until 05:00 on 22/01/2025.

The temporary suspension of the weight restriction was applied to the following streets in Long Melford:

- *High Street*
- *Hall Street*
- *Little St Mary's*
- *Southgate Street*
- *Station Road*
- *Rodbridge Hill*

Further information regarding these works should be requested from Essex County Council.
