

Environmental Information Regulations – Response - 26958

1/ I would like to receive the current HMOP definitions of Reactive and Preventative maintenance.

information provided in Suffolk County Council's Highways Maintenance Plan (HMOP) which can be found at: <https://www.suffolk.gov.uk/roads-and-transport/highway-maintenance/highway-asset-management/highway-maintenance-operational-plan>

2/ I would like to receive the current HMOP definitions of intervention standards for Reactive and Preventative maintenance (above)

information provided in Suffolk County Council's Highways Maintenance Plan (HMOP) which can be found at: <https://www.suffolk.gov.uk/roads-and-transport/highway-maintenance/highway-asset-management/highway-maintenance-operational-plan>

3/ I would like to know the date that the U8013 was last inspected and the frequency of inspection for this class of road.

U8013 is known as High Road, Rougham. The last cyclical safety inspection of the road was 29/01/2026. This is a Type 4a road and is inspected at 6-monthly intervals as per HMOP – Section 4 Risk, and during ad-hoc inspections that focus on a specific location following reports of defects.

4/ I would like to know the date that the U8012 was last inspected and its frequency of inspection.

U8012 is known as High Road, Rougham. The last cyclical safety inspection of the road was 29/01/2026. This is a Type 4a road and is inspected at 6-monthly intervals as per HMOP – Section 4 Risk, and during ad-hoc inspections that focus on a specific location following reports of defects.
