

Freedom of Information – Response –26963

1. *What is the current population of the area for which you are responsible?*
2. *How many enforcement officers does your authority have who are responsible for enforcing regulations and compliance related to dogs? NB this does not necessarily mean it is their only job - just that as a part of their role they have the powers and responsibilities to enforce regulations and compliance related to dogs.*

3. *In the calendar year 2025, how many total enforcement notices, e.g. fixed penalty notices, did your officers issue regarding dogs? NB an enforcement notice can include a form of written or formal warning, e.g. to someone for repeatedly having dog noise complaints made against them or repeatedly being warned about dog fouling.*

4. *How many of these were in relation to a antisocial behaviour (e.g. noise, excessive barking)?*

5. *How many of these were in relation to someone failing to clean up their dog's mess (i.e. dog fouling)?*

6. *How many of these were in relation to dogs being out in a public place whilst not wearing a tag with the legally-required information on (i.e. owner's name and address)?*
