

Environmental Information Regulations – Response – 27007

I write to you under the provisions of the Freedom of Information Act 2000 to request information held by the Council in relation to planning applications submitted within your administrative area.

I would be grateful if you could provide a report or dataset (in Excel or CSV format if available) identifying planning applications received by the Council during the period from 1 January 2024 to the present date, limited specifically to the details of the appointed planning agent in each case. I understand that most modern planning management systems are capable of generating standard reports extracting agent information with relative ease, and I therefore hope the requested information can be retrieved without undue burden.

For each relevant application, I request the following information insofar as it is held and can be disclosed:

- 1. Planning agent email address (where recorded)*

We are writing to advise you that, following a search of our paper and electronic records, it has been established that the information you requested is not held by Suffolk County Council.

If you have not already done so, then you may wish to write to the Borough and District Councils of Suffolk:

- Babergh Mid Suffolk District Council
