

Freedom of Information – Response – 27012

The following request for information pertains to firefighter pensions.

1) In regard to the Sargeant judgment how many RSSs were identified as needing to be calculated in total?

485

2) Can you break down the total RSSs, which needed to be calculated, into specific categories?

Active members: 195

Deferred members: 141

Pensioner members: 141

Deceased members: 6

Pension Credit members: 2

3) In regard to issuing Remediable Service Statements, pertaining to the Sargeant judgment, how many RSSs have been issued from the beginning and up to and including 28th February 2026?

353

4) Can you break down the total of RSSs issued during this period into categories?

Active members: 195

Deferred members: 101

Pensioner members: 56

Deceased members: 1

Pension Credit members: 0

5) How many Remediable Service Statements are still outstanding?

132

6) Can you break down the outstanding RSS numbers into categories?

Active members: 0

Deferred members: 40

Pensioner members: 85 (of which 78 are likely to already be in receipt of their optimal pension benefits as they were either protected or retired before moving to the 2015 scheme)

Deceased members: 5

Pension Credit members: 2
