

Freedom of Information – Response – 27015

Under the freedom of information act, I am writing to request the following information please:

1. All early years and childcare settings within three miles of Halesworth Station – including number of places offered and number taken up

We can confirm that Suffolk County Council holds this information. However, the information is readily accessible to you, as it is already in the public domain.

Section 21 of the FOIA states that a public authority does not need to provide information under section 1 of the Act if that information is reasonably accessible to the applicant by other means.

A search for childcare settings can be completed on Suffolk InfoLink:
www.infolink.suffolk.gov.uk

2. Any planned alterations to the number of places offered at the existing settings
Suffolk County Council (SCC) do not hold this information; settings would need to be contacted directly.

3. Any planned new settings within the same area
SCC are aware of some potential development in Halesworth.
