

Freedom of Information – Response – 27044

I am writing to request information under the Freedom of Information Act 2000 regarding school attendance fines (Penalty Notices) issued in Suffolk.

Please provide a breakdown of the number of Penalty Notices issued for unauthorised absence, categorised by individual school name, for the following period(s):

- *The full 2023/24 academic year.*

Please note that small numbers have been suppressed to avoid identification of individuals. While there is a general obligation under the Freedom of Information Act, to release information held by public authorities, there are exemptions to protect individuals' privacy and ensure compliance with data protection laws. The FOIA does not override data protection legislation if releasing information could lead to the identification of an individual directly or indirectly, thereby breaching their privacy rights.
