

Environmental Information Regulations – Response - 27082

Under the Freedom of Information Act 2000, I request the following information for the period 1 April 2021 to 31 March 2026:

1. The total number of sewage overflow and flooding incidents reported in state schools under your control.

Based on the reported call outs that mentioned flooding or sewage, there were 28 incidents reported to us by maintained schools in that time period.

2. Details of the single incident involving the highest number of people affected involving school sewage incidents (school name, number of pupils affected, duration).

Suffolk County Council do not hold this information.
