

Freedom of Information – Response – 27143

I'm making a request for information under the Freedom of Information Act 2000.

For the period 1 January 2022 to 31 December 2025 please provide the number of recorded data breaches in children's services.

Please note that the council only holds information in relation to confirmed data breaches since 1 April 2022. As such the information provided below reflects the number of confirmed personal data breaches recorded during the time-period 1 April 2022 to 31 December 2025.

Between 1 April 2022 and 31 December 2025, there have been a total of 770 confirmed personal data breaches reported which affect information from the Children and Young People's Service.
