

## **Environmental Information Regulations – Response - 27160**

*I request information held by Suffolk County Council relating to the proposed Forest City scheme. Forest City is a proposed development of one million people in West Suffolk and East Cambridgeshire.*

*In particular, I would like any communications between the scheme's proposers or their representatives and SCC. I am also requesting details of any meetings (in person, virtual or telephone) that have taken place between the scheme's proposers or their representatives and SCC. This should include dates, times, participants and the minutes/readout of any meeting(s).*

*For the above, 'communications' includes, but is not limited to, emails, messages, letters, memoranda, briefing notes, and internal communications.*

*Please limit your response to dates between 1<sup>st</sup> June 2025 and the date of this email.*

Suffolk County Council holds no data on this matter. A thorough search of all our databases and project files (including MasterGov, Outlook, SharePoint) was undertaken using the search term 'Forest City Scheme' over the period 1 June 2025 to 10 April 2026 and returned no information.
