

## **Freedom of Information – Response – 27194**

*I am writing to make a request for information under the Freedom of Information Act 2000. I would like to request a dataset containing email contact details for all schools within Suffolk. Specifically, I am requesting all school types and age groups including private schools.*

We can confirm that Suffolk County Council holds this information. The information is in the public domain and accessible.

**Section 21** of the FOIA states that a public authority does not need to provide information under section 1 of the Act if that information is reasonably accessible to the applicant by other means.

Details of each individual school can be found using the following links
