

Freedom of Information – Response –27203

On 6 April 2026, new legislation came into force that required all primate owners to apply for a wild animal licence with their local council.

On that date, how many licence applications from primate owners had your council received? For each application, please state whether it was approved, and how many primates it related to. If you run out of time, which you won't, please just tell me the number of licence applications.

We are writing to advise you that, following a search of our paper and electronic records, it has been established that the information you requested is not held by Suffolk County Council.

If you have not already done so, then you may wish to write to the Borough and District Councils of Suffolk:

- Babergh Mid Suffolk District Council
