

Freedom of Information – Response – 27226

I would greatly appreciate if you could you provide, for each current contract under which this authority funds the operation of local bus services, the following:

1. The name of the operator / contracting entity.

Column B of the spreadsheet (file named: 'FOI 27226 data spreadsheet.xlsx')

2. The contract commencement date and length of contract.

Columns C and D give start and end dates of the contracts

3. Details of any extension options, including:

a. whether the contract contains an extension provision;

b. the length of each possible extension; and

c. the latest possible expiry date if all extensions were exercised.

Column E contains the latest expiry date if there is an extension provision

4. The total amount of funding paid by this authority under each contract in the 2024/25 and 2025/26 financial years, or, if that is not available, the most recent 12-month period held in recorded form.

Column F total funding in 2024-2025

Column G total funding in 2025-2026

5. Whether the operator is entitled to retain farebox revenue under the contract and, if so:

a. whether all or part of fare revenue is retained by the operator;

b. if part is retained what proportion;

Column H of the spreadsheet states if the contract is revenue guaranteed. The operator retains the farebox revenue for all revenue guaranteed contracts

6. For each supported fixed-route service operated under the contract:

a. route/service number or identifier;

b. passenger numbers for the most recent full financial year or other full 12-month period if available;

c. subsidy per passenger for the same period if available;

a. Column A of the spreadsheet

b. Column I of the spreadsheet, passenger numbers for 2025-2026

c. Column J of the spreadsheet, subsidy per passenger for 2025-2026

7. How was the contract procured? For example on a direct award, DPS, open tender or other framework

Column K of the spreadsheet
