

Environmental Information Regulations – Response - 27260

I am seeking information on Beach Lane in Bawdsey. I would like to know:

1. If Beach Lane has ever been a public right of way.

Beach Lane has never been recorded on a definitive map and statement as a Public Right of Way.

2. If yes, when it stopped being a public right of way and was designated private land.

Not applicable.

3. If there has ever been consideration about dedicating Beach Lane as a public right of way.

No.

4. If there are previous Freedom of Information Requests relating to Beach Lane.

The FOI Team can confirm that there have been no other previous requests relating to Beach Lane in Bawdsey (From April 2023 to date, using search term 'Bawdsey')

I have attached a map with Beach Lane highlighted orange for ease.
