

Freedom of Information – Response – 27282

Under the Freedom of Information Act 2000, I would like to kindly request the following information:

1. Whether your authority has ever implemented the Family Safeguarding Model in any form (including pilot, partial, or phased implementation), regardless of whether full implementation has taken place.

No

2. If so, please provide the relevant start date(s) and a brief description of the implementation.

N/A

3. If so, please provide the selection criteria used to determine whether a family should be enrolled in the Family Safeguarding Model, for example, any eligibility thresholds, referral pathways, or assessment criteria that inform this decision.
