

## **Environmental Information Regulations – Response - 27288**

1. I am seeking information relating to proposed Conservation Areas within your authority. Please confirm whether your authority currently has any areas that are:

- Under consideration for designation as a Conservation Area
- Subject to a Conservation Area appraisal (draft or ongoing)
- Planned for future designation or review

2. If so, please provide the following details for each area:

- The name or location of the area
- The current stage of the process (for example, initial review, draft appraisal, public consultation, or committee stage)
- Any relevant reports, committee papers, or reference numbers
- Key dates, where available

If no such areas are currently being considered, please confirm this.

If available, I would also be grateful to receive any GIS datasets or mapping files showing the boundaries of proposed areas. I would prefer to receive the information electronically.

We are writing to advise you that, following a search of our paper and electronic records, it has been established that the information you requested is not held by Suffolk County Council.

If you have not already done so, then you may wish to write to the Borough and District Councils of Suffolk:
