Please send me a copy of any emails, reports or guidance issued to SCC staff about relations with new County Councillors following the elections held on 7th May 2026.

SCC did not issue specific guidance to its staff about relations with new County Councillors following the elections. Such matters are already covered within the Council's Constitution, which is published on the Council's website – [The Constitution - Suffolk County Council](#). See Part 6.1 - Member/Officer Protocols.
