

Freedom of Information – Response – 27305

I am writing to request a complete list of the results from the Suffolk County Council local elections held earlier this month (May 2026).

Specifically, I require a plain-text document or spreadsheet that clearly lists:

- 1. All 70 council divisions/seats.*
- 2. The name of the winning candidate elected for each seat.*
- 3. The political party represented by each winning candidate.*

Please provide this full 70-seat data breakdown strictly in an accessible, plain-text format (such as a standard email body, a Microsoft Word document, or a basic Excel spreadsheet) and reply directly to my email address.

The requested information is provided below in plain text format, as requested.
